Laptop / PC Insurance from as little as £3.99 per month

Maximum Protection for Laptop and PC's...

With many more of us purchasing home, business computers and laptops it is an unfortunate fact that crime reports daily list Laptop computers and PC's as highly desirable items, and so especially in 2006 led to an increase in theft and accidental damage. So, protect yourself against theft and accidental damage with cover starting from as little as 10p a day

If your not insured you will have to buy another Laptop if it's stolen.

If you damage your PC or Laptop it could cost hundreds in repairs!

We protect ALL laptops and computers, purchased in the UK within the last 14 days. See Terms for details. From just 10p per day, you can protect your Laptop/Computer against this expensive situation

{tab=Claim Excess}

To avoid fraudulent claims there has to be an excess charge. However, this is small compared to the cost of otherwise replacing your phone at your own expense.

If you are making a claim due to theft, then the excess charge is just £25

If you are making a claim due to international cover, then the excess charge is just £75
